

Juvenile Post-Adjudication/Predisposition Supervision Policy

I. Policy

Post-Adjudication/Predisposition Supervision is conducted when court-ordered for juveniles who have been adjudicated and are pending disposition. This supervision level is designed to monitor compliance and provide early service intervention while a juvenile is pending disposition. This level of supervision is structured to match the intensity of the court-ordered conditions and may be utilized in conjunction with the appropriate evaluation, treatment and ancillary services as ordered by the court.

II. Purpose

The purpose of Post-Adjudicated/Predisposition Supervision promotes the ideals of least restrictive, family inclusive, integrated services to the juvenile, providing an opportunity for early intervention and possible diversion from further involvement in the juvenile justice system. Post-Adjudicated/Predisposition Supervision enhances community safety throughout the juvenile court process.
